

Taupo, New Zealand

Others

Vencon is a locally owned construction company in Taupō, run by a team of skilled certified builders who know what it takes to get the job done right. We build new homes, carry out additions, and handle renovations of all sizes. From retaining walls and fences to high-end custom homes, our Taupō builders bring solid workmanship and a straight-up approach to every project. As experienced design builders, we help bring structure and style together to suit your needs. For reliable home builders or design builders Taupō wide, Vencon is a name locals trust.
