

Yorkshire Dental Suite Chelsea

82 Manor Street, Chelsea
London, Greater London SW3 5QP
United Kingdom

Phone: 2045716961

From hygiene appointments and teeth whitening to composite bonding, veneers and dental implants, YDS Chelsea provide best in class care backed by open and honest pricing. We will never push an unnecessary treatment and will always put you at the front of every decision we make. Ask about dental implants which include full mouth restorations, all on 4, single tooth and implant retained bridges. This treatment replaces painful, loose, missing and damaged teeth with grade 5 titanium implants topped with a porcelain crown or zirconia bridge. Porcelain veneers and composite veneers hide damaged and discoloured teeth giving you a perfect
