Here at The Cake Rooms, we take great pleasure in showcasing and creating every style of wedding cakes, birthday cakes and other celebration cakes, all of which are produced in our own kitchen in Leicester. If you're looking for a bespoke cake, then be sure to contact us. There are so many times to celebrate, which is why we believe in celebrating in style. From simple butter cream with delicate flavours to fondant-covered confectionery masterpieces. We'll work with you from our Leicester based kitchen to create flavours and designs that inspire and not only meet your requirements, but exceed them, time after time. If you're looking at having a bespoke cake created for a celebration, then use our cake calculator to work out an
