BKA Electrical is your trusted local electrician in Brighton, offering a full range of domestic and commercial electrical services. With years of experience and a team of fully qualified, NICEIC-approved electricians, we deliver safe, compliant, and efficient electrical solutions across Brighton, Hove, and surrounding areas. Whether you're a homeowner, landlord, or business owner, our services are tailored to meet your specific needs. We specialise in Landlord Electrical Safety Certificates (EICRs) to ensure your rental properties are compliant with the latest UK safety regulations. Our reports are thorough, easy to understand, and competitively priced—perfect for letting agents and property managers. For older or unsafe systems, our pricing is

services offer a complete update of your property's electrical infrastructure. We also provide emergency electrician services, available for urgent issues like power failures, electrical faults, or unsafe wiring—day or night. We handle all aspects of electrical socket and switch installations and repairs, ensuring safe, neat, and modern fittings. Need new lighting? Our team installs indoor and outdoor light fixtures, including decorative, security, and energy-efficient solutions. Our electrical inspections are ideal for safety checks, home purchases, or business compliance. We also offer electrical panel repairs and full consumer unit upgrades, improving safety and capacity for growing electrical demands. From electrical wiring installation to wiring repairs, we provide clear solutions for new builds, renovations, and fault-finding. We also specialise in electric car charger installations, supplying and fitting EV chargers for homes and workplaces, fully compatible with all major vehicle brands. Website:
