

Kastle Group LLC

Los Angeles, CA
USA

Phone: (310) 800-2763

Kastle is more than just a firearms accessory brand; it embodies over 80 years of aerospace and defense manufacturing excellence. The company doesn't merely design products but engineers solutions that elevate the weapon-user interface for optimal performance in high-stakes environments. With input from warfighters, law enforcement, and civilians, Kastle's products undergo stringent field testing, surpassing industry expectations and setting new standards. Their mission is to produce equipment that performs exceptionally in critical situations, blending

innovation with real-world functionality
