Melbourne's inner-eastern suburbs are a very multicultural area and have a diverse range of economic standing. As your local G.J. Gardner Homes builders, we cater to the complete spectrum – from first and second home buyers who are price conscious, all the way through to higher-end builds for inner-city clients, custom homes, dual occupancy homes, knockdown-rebuilds and even investors who want a simple all-inclusive house and land package in Melbourne or a townhouse; we have something to suit all types of buyers.
