Priory Electrical is a professional and trusted electrical services company providing expert solutions across residential and commercial properties in the UK. With years of experience in the industry, we pride ourselves on delivering safe, reliable, and high-quality electrical work to homes, businesses, and commercial premises. Our skilled team of electricians specialises in a wide range of services, including domestic electrical installations, commercial electrical services, complete rewiring, electrical repairs, consumer unit and fuse board upgrades, and comprehensive electrical testing and inspections. We also provide expert lighting installations, both indoor and outdoor, as well as security systems including alarms, CCTV, and access

control. For modern homes and businesses, we offer smart home solutions, enabling clients to control lighting, sockets, and other systems with convenience and efficiency. At Priory Electrical, safety and compliance are at the forefront of everything we do. Our electricians are fully qualified and follow the latest regulations to ensure all work is completed to the highest standards. We are committed to providing tailored solutions that meet the specific needs of each client, whether it's a small repair, a large installation, or an emergency response. Known for our professionalism, reliability, and excellent customer service, Priory Electrical is the trusted choice for all electrical needs. We work closely with our clients to deliver solutions that are not only functional but also energy-efficient, safe, and long-lasting. Website:
