At EcoAction Recycling, we provide reliable commercial recycling solutions tailored to the unique needs of businesses across Metro Vancouver and the Lower Mainland. Whether your business is located in Vancouver, Burnaby, Surrey, Richmond, Coquitlam, New Westminister, or nearby communities, our goal is to help you reduce waste, cut costs, and improve sustainability. We know that every organization has different recycling requirements. That's why we offer flexible and customized recycling programs designed for offices, retail, restaurants, warehouses, and multi-tenant properties. Our services cover a wide range of materials, including paper, cardboard, plastics, electronics (e-waste), and organic waste recycling—making it easy and affordable to manage your recyclables responsibly.
