Acme Concrete Raising & Repair is Chicagoland's original and longest-running polyurethane concrete raising and stabilization specialist! We developed the Smart Lift System®, which provides the best-looking and longest-lasting repairs possible. ACME can raise sunken patios, sidewalks, porches, steps, stoops, driveways, garage floors, pool decks, and other flatwork. Polyurethane is the industry standard and required for the most demanding applications, such as heavy infrastructure and other engineered commercial repairs. Don't "settle" for mudjacking or just any "polylift" company; demand the polyurethane concrete raising experts - Acme
