Bloom Commercial Cleaning is one of Vancouver's fastest-growing cleaning companies, specializing in professional janitorial and commercial cleaning services. With over a decade of experience, we've earned a strong reputation for delivering reliable, high-quality cleaning solutions tailored to businesses of all sizes — from boutique offices to multi-site commercial operations. We've proudly maintained thousands of spaces across the Lower Mainland, always prioritizing health, hygiene, and attention to detail. Our team of trained professionals uses industry-leading tools and eco-conscious products to create clean, safe, and welcoming environments for staff and customers alike. As we continue expanding across British Columbia,

mission stays the same: to raise the standard of commercial cleaning through consistency, care, and customized service. Whether you need routine janitorial maintenance, deep cleaning, or post-construction cleanups, Bloom is here to support your business with integrity and excellence. Get in touch today to schedule a walkthrough and see why so many Vancouver businesses trust Bloom Commercial Cleaning. Website:
