

Ipswich Dental Specialists

82 Berners St
Ipswich, Suffolk IP1 3LU
United Kingdom

Phone: 01473 550600

At IDS, our team of highly trained, experienced expert dentists is dedicated to providing advanced, personalised treatments in a welcoming environment. Our specialist-led practice offers comprehensive services including periodontics, orthodontics, endodontics, prosthodontics, and paediatric dentistry ensuring a tailored solution for each patient. With state-of-the-art technology and a focus on patient comfort, we offer everything from routine check-ups and hygiene to complex procedures like dental implants, root canals, full arch reconstructions and orthodontics for all ages. We keep our patients at the centre of everything we do. Visit us to experience high-quality dental care that prioritises your health, comfort, and confidence. Website:
